Dear Potential Sponsor,

Warm greetings from **Resilience Residential Services, Inc.**, a community-based organization dedicated to empowering youth and providing a safe, nurturing home environment for children ages 6-17 who have faced significant challenges.

This holiday season, we are proud to host our 1st Annual Giving Tree Holiday Drive & Toy Giveaway, a community outreach event focused on bringing warmth, joy, and hope to the youth we serve – and to local families in need throughout the Houston area.

Through this initiative, we aim to collect toys, clothing, food, and essential items, ensuring that every child experiences the true spirit of the holidays. With your partnership, we can make a meaningful difference in the lives of children who deserve to feel loved and supported.

We invite your business to become a sponsor or community partner for this year's event. Your support helps us provide:

- New toys and clothing for children and teens
- Holiday meals and care packages
- Safe, joy-filled celebrations for youth in our homes
- Educational resources and enrichment programs year-round

As a valued sponsor, your business will receive recognition through:

- Your logo on flyers, social media, and event signage
- Verbal acknowledgment during the event
- A framed Certificate of Appreciation
- Acknowledgment in post-event materials and media
- Tax-deductible contribution acknowledgment through our fiscal sponsor, Shell Hebert Career and Technical Academy (SHCTA)

We are accepting both monetary donations and in-kind contributions such as toys, clothing, food, gift cards, and household essentials.

Invest in Hope. Invest in Resilience.

Event Details:

Date: Saturday, December 20, 2025

Time: 1:00 PM – 4:00 PM

Location: Honey Beeyond Studio, 1667 Cartwright Rd., Missouri City, TX 77489
